

# INSTRUCTION SHEET

## FROG LEG REASSEMBLY

- **Please read and understand these instructions before beginning the installation.**

**Tools Required:**  
Two 4mm Allen Wrenchs

**Parts Required:**  
Insert tool (fig 1)  
P/N 116351

1. Thread the insert tool onto the pivot pin as shown in fig 2.
2. With the elastomer and the lower fork in place insert the pivot pin into the assembly as far as possible (fig 3)
3. Use the 4mm Allen Wrench to apply a downward force (fig 4) while turning the wrench clockwise.
4. When the pivot pin bottoms out (fig 5) remove the insert tool and install the button head cap screw (fig 6) and tighten.
