This exploded view diagram illustrates the assembly of a bicycle frame. The components are numbered as follows:

- 1, 2:** Front wheel assembly, including the rim and spokes.
- 3, 4:** Front fork and its associated hardware.
- 5, 6, 7:** Headset and stem assembly.
- 8, 9, 10, 11, 12:** Various handlebar grips and ergonomic components.
- 13, 14:** Rear wheel assembly, including the rim and spokes.
- 15, 16, 17:** Rear fork and its associated hardware.
- 18:** Rear shock absorber.
- 19A, 19B:** Rear axle and its associated hardware.

Note: Each back height/type uses a different variation of back straps; replacement strap kits contain more straps than needed to support all back types/heights.

Note: Item 5A/5B is required when ordering a complete back upholstery; order 2 each of the universal item 5A, or order left and right parts for item 5B; order based on Backrest Type, Back Post/Push Handle Style & Back Height Setting on the chair.

Note: for a Complete Backrest Upholstery, order item 1-4 and item 5A/5B.

Note: Each back height/type uses a different variation of back straps; replacement strap kits contain more straps than needed to support all back types/heights.

Note: Item 5A/5B is required when ordering a complete back upholstery; order 2 each of the universal item 5A, or order left and right parts for item 5B; order based on Backrest Type, Back Post/Push Handle Style & Back Height Setting on the chair.

Note: for a Complete Backrest Upholstery, order item 1-4 and item 5A/5B.

Note: if retro-fitting to an existing chair, the chair must have the height adj. push handle option on it. If the chair doesn't already have this push handle style please see the height adj. push handle parts page to order a complete kit to retro-fit those push handles to the chair along with items 1-14 on this page.

Note: The alternative to switching to height adjustable PH's would be to go with the Stabilizer Bar Auto Folding, please see that parts page.
